

# Baubles & Beads 2023

Dear Prospective Sponsor,

We are so excited to announce our upcoming Baubles & Beads event on Saturday, October 21st, 2023, at the Happy State Bank Expo Hall. Our emporium featuring local vendors opens at 5:00 pm, with dinner served at 6:30 pm and program immediately following. This year we are celebrating with a western theme, Ropin' Hope. Grab your partner, put on your best western duds and join us!

Started in 2002 to bring breast cancer awareness and education to our community, this annual event has provided more than \$600,000 to support local breast cancer patients with financial assistance for screening and diagnostic mammograms, treatment, and medications as well as other community financial support. Additionally, EWC awards a higher education scholarship of \$16,000 paid over four years to a local young woman and has provided over \$216,000 in scholarship funds since 1983 supporting 63 area young women.

This year funds will replenish our Hope Fund that is administered through Peterson Foundation and covers the cost of screening and diagnostic mammograms, breast ultrasounds and the radiology physician's cost. We will also replenish our Community Outreach account which provides funding for the cost of treatment and medications, as well as the purchase of gas cards to help with rising transportation costs to medical appointments and treatments. These programs are cornerstones of our breast cancer support.

We invite you to participate as an underwriter or sponsor for this event. The attached form outlines the various levels for your consideration. As an underwriter or sponsor you will be provided tickets for a table of 8 as well as other benefits as indicated. Please consider how you would like to be involved and return the completed form with your check as soon as possible, but no later than August 31, 2023. If you wish, we have added the option of dividing your payment with half due by August 31st and the remainder due September 30th.

Sponsored tables will sell out and are reserved on a first come first serve basis.

We look forward to hearing from you at your earliest convenience and thank you for your generous support of this event for all in our community that benefit from your kindness. If you have any questions or need additional information, please contact us at the numbers indicated below.

Yours truly,
